Subject: Termination of Jurisdiction of "Old" Waste Rock Site, Cottonwood/Wilberg Mine, PacifiCorp, C/015/0019, Emery County, Utah

Dear Mr. Fleck:

This letter is in response to your request regarding the Division's Termination of Jurisdiction at the "Old" Waste Rock site associated with the Cottonwood/ Wilberg Mine pursuant to R645-100-450.

The Division finds that PacifiCorp has completed all of its requirements under the coal regulatory program and has approved the final Phase III bond release for this area. This action terminates the Division's jurisdiction for the 32.7 acres comprising the above-referenced Waste Rock Site effective July 22, 2009. The Division will no longer consider this site as part of the Cottonwood/ Wilberg permit.

Thank you for your help in completing the requirement of the Utah Coal Regulatory Program at the Cottonwood/Wilberg mine. If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Coal Program Manager
